Year 2

This week Year 2 classes had the opportunity to see the journey of the River Wyre as part of their learning in Geography. They walked along the edge of the River Wyre, observed the meanders and the direction of the flow of water and walked over the river via the toll bridge at Little Eccleston.

The children then got back on the coach and followed the journey of the River Wyre where they stopped off at Stannah for some lunch in the sunshine and then continuing to follow the journey of the river to where it meets the sea at Fleetwood.

All of the children had a great time and used all of their 5R's whilst representing the school beautifully!

Well Done Year 2!
