FRIDAY 14TH FEBRUARY 2025

Message from Message from Mr Clucas, Head teacher

We have come to the end of another busy half term at Layton Primary School!

On Tuesday it was Safer Internet Day, this gave us a chance to reinforce the learning we do all year round with children about staying safe online and this year we extended this to parents/carers. It was great to see you all getting involved and joining our sessions. If you couldn't make it below are some questions which may help you start the discussion on how we can all use the internet safely, respectfully, responsibly and positively:

Q What do you like most about the internet?

Q How does going online make you feel?

Q How does the internet and tech' make your life better?

Q How much can you trust people you know only from online?

Q How do you communicate online?

Q What can be the challenge about communicating online?

Q What is the difference between talking to someone online and face to face?

Q What do you and your friends do to keep yourself safe and happy when chatting online?

Visit www.saferinternet.org.uk for useful tips, help and support

Have a lovely half term week, we hope the sun starts to shine!

Year 6 children are out on a trip to The Imperial War Museum on Thursday 6th March, they will dress up and celebrate World Book Day on Friday 7th March.
