FRIDAY 24TH JANUARY 2025

Message from Mrs. Rollinson, Assistant Headteacher

Despite the cold, wintery weather, school has been full of sunshine this week. Our classes have been brimming with children using their 5Rs to tackle tricky learning.

Reading continues to be a focus throughout school. From the moment our doors open every morning, reading books are opened and children are encouraged to read to either themselves, to peers or to adults in all classrooms. We share individual reading books, group books and whole class novels covering a wide range of themes.

Ask your child what they've been reading this week!

Wishing you a lovely weekend!

Children in Breakfast Club and After School Club have been working hard on the new Spring Time Noticeboard in the dining hall!

On Monday 20th January Blackpool FC Community Trust (BFCCT) held their annual Premier League Primary Stars (PLPS) Under 11's Girls Tournament at Stanley Park.

Although we did not win, the girls had a great time competing and represented school superbly.

Well Done girls!

Blue Skies is the charity for Blackpool Teaching Hospitals.

In partnership with Blackpool Teaching Hospitals NHS Foundation Trust, Blue Skies enhances the provision of first-class patient care for public benefit. It supports the provision of healthcare, free at or fully supported, by central NHS funds. Children in Year 3 have been supporting the charity by participating in a decorating competition and raising funds to support patients at Blackpool Victoria Hospital.

The decorated donation boxes have been judged across all Blackpool schools and Novah was chosen for 1st place!

Well Done everyone and Congratulations to Novah!

MAKING A REAL DIFFERENCE, EVERYDAY.

The Family Engagement Team would like to invite you to a Coffee Morning on Thursday 6th February between 9-11am. Entrance via the KS2 hall.
