FRIDAY 28TH MARCH 2025

YEAR 5

Year 5 were joined by Gary from Safe Haven on Monday to learn all about first aid. Having enjoyed a practical session learning about CPR, the recovery position and how to contact the emergency services, Year 5 are now writing handy guides for others. Look out for these around school soon!

Theres some cute, chirpy new additions in Foundation Stage!

The children have been observing eggs in incubators for the last 21 days eagerly waiting for them to hatch!

Groups of children have been helping to turn the eggs over at intervals during the day, this is to make sure the eggs are kept warm.

The first chick began to hatch during the night between Monday and Tuesday and by Wednesday morning we had 9 chicks! Two are yellow and the rest are black, brown and yellow.

The children have enjoyed observing the chicks this week and have loved having them in class, especially when they get to hold them!

The children have all been really careful and quiet, so the chicks are very happy and safe.

We can't wait to see how big they get!

Well Done children!
