## Summer fun at school!

It's so important that you don't miss out in the summer term, there's learning to be done, trips to go on and lots of time to be spent outside, so please make sure you are in school and on time, every single day.

Every child who achieves 96% attendance across the school year, 96% attendance for this half-term or both will get an ice-cream treat at the end of term!

Attend, Attain, Achieve.

Esmè from Class 3D is taking part in the Pretty Muddy Race for Life to raise money for Cancer Research UK.

Esmè set herself an ambitious fundraising target of £100 and has already raised an incredible £970! WOW!

We are all extremely proud of your fantastic achievement Esmè and wish you the very best of luck in the race!

## Young Ambassador Supports North West Air Ambulance Charity

North West Air Ambulance Charity would like to thank their young ambassador, Genevieve, for her fantastic support. Genevieve recently completed her Helicopter Hero badge and raised money for the charity by making and selling bracelets.

A keen aviation enthusiast, she loves aircraft and is often spotted at the airport watching planes.

The NWAA are incredibly grateful for Genevieve's enthusiasm, dedication and fundraising efforts. She is a wonderful ambassador for the charity and a great example of how young supporters can make a real difference.

Well Done Genevieve!
