FRIDAY 19TH JUNE 2026

Summer fun at school!

It's so important that you don't miss out in the summer term, there's learning to be done, trips to go on and lots of time to be spent outside, so please make sure you are in school and on time, every single day.

Every child who achieves 96% attendance across the school year, 96% attendance for this half-term or both will get an ice-cream treat at the end of term!

Attend, Attain, Achieve.

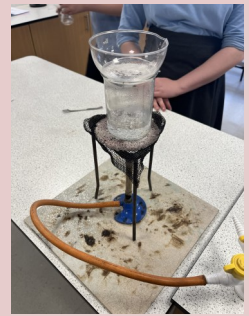

Year 6 Science Visit to Aspire Academy

This week, 6M visited Aspire Academy to take part in an exciting science lesson. During the session, the children learned all about the filtration process and explored how scientists separate mixtures.

The class enjoyed carrying out practical investigations using equipment such as a Bunsen burner, water, and rock salt. It was a fantastic opportunity for the pupils to develop their scientific skills and deepen their understanding through hands-on learning.

Well done to all of 6M for their enthusiasm, excellent participation, and outstanding behaviour throughout the visit!

KS1 LEARNERS

Foundation: Lydia, Heidi, Sonia

Year 1: Anastasia, Frankie, Alice

Year 2: Lily-Mai, Mason, Valentino

KS2 LEARNERS

Year 3: Leo. S, Jenson, Owen

Year 4: Dylan, Ezmai,

Year 5: Olivia, Isla-Jay, Lexi

Brew & BISCUIT

**NEW DIGITAL PATHWAY INFORMATION
FOR SEND PARENTS & CARERS**

Join us for a relaxed and friendly morning to find out more about a pilot taking place in Blackpool Teaching Hospitals' children's ADHD and Autism services.

THINK DIVERGENT
will be joining us to share information about the pilot and answer questions.

SAVE THE DATE!
DATE: 30/06/26
TIME: 10:00am till 12:00

LOCATION: North Family Hub

BLACKPOOL ARE PILOTING A DIGITAL PATHWAY FOR CHILDREN'S ADHD & AUTISM REFERRALS WHERE:

- Schools and parents only need to provide information once
- Children's strengths and needs are identified
- The referral process will be more accessible, straightforward and transparent
- The technology is designed to be neuro-inclusive and is expected to save several hours per child triaged, improving the clinical team's productivity and reducing waiting times.

The session will involve a brief introduction of the pilot and an introduction to the technology.

THIS INFORMAL SESSION IS A CHANCE TO:

- Find out about the new digital pathway pilot
- Share your thoughts and feedback on the pilot
- Meet other SEND parents and carers
- Enjoy a brew and a biscuit in a welcoming space

Everyone is welcome. We understand every child's journey is different, and no concern is too small.
