

Year 4 Curriculum Map 2026 - 2027

Subject	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Maths	Addition - to 1000 including word problems. Rounding and Estimation. Subtraction –to 1000 Multiplication - to 1000 using calculations and word problems. Use of inverse. Division - 3-digit numbers by 1 digit using the part whole model. Shape - Compare, identify and sort a range of 2D & 3D shapes and their properties. Time - Converting units of time. Analogue & digital clocks. Fractions - Recognise, comparing and ordering unit fractions and fractions with the same denominator. Place Value - recognise and partition the value of up to a 4-digit	Money - Calculate and convert £ & p. Solve word problems. Addition - adding decimal numbers mentally to one decimal place. Solve addition two step problems including missing numbers. Subtraction - Use subtraction facts for subtracting decimal numbers mentally to one decimal place. Solve subtraction two step problems including missing numbers. Multiplication - Multiply 2- and 3-digit numbers by 1 digit number using a formal written layout. Division - Divide 2- & 3-digit numbers by 1 digit. Measurement & Shape - Measure and calculate perimeter & area whilst identifying 2d and 3d shapes. Fractions - Find fractions of amounts, add and subtract fractions, conversion and comparison of fractions into decimals.	Position and Direction - Describe position on a 2D grid as co-ordinates in the first quadrant. Time - Read, write and convert time between analogue and digital 12- and 24-hour clocks. Read simple timetables and use a calendar Measurement and conversion Four Operations - To add and subtract mentally combinations of two and three digits. To solve problems involving multiplying and to know that remainders can occur when dividing. To know division facts corresponding to times tables up to 12 x 12. Fractions, Decimals and Percentages - To recognise and write fractions. To compare and order fractions with the same denominator and add and subtract fractions.	Fractions & Decimals - find simple fractions $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{1}{5}$ and $\frac{1}{10}$ of numbers or quantities. Identify two simple fractions with a total of one (eg $\frac{3}{10} + \frac{7}{10}$). Order simple fractions. Recognise the equivalence between the decimal and fraction Compare numbers up to 2 decimal places. Addition & Subtraction - consolidate understanding of the relationships between + and - Multiplication & Division - Extend understanding of the operations of x and ÷ Multiply and divide using formal and informal written methods, including partitioning and grouping, using 3-digit x and divide by 1-digit numbers. Find remainders after division. Shape	Fractions, Decimals and Percentages Order money using tenths and hundredths. Solve simple measure and money problems. Addition & Subtraction - Add or subtract the nearest multiple of 10. Add and subtract units of measure, including length, money, weight and capacity. Multiplication & Division - Divide by 2, 4, 5 or 10 to give £.p. Shape - triangles. Look at properties of 2-D shapes including a tetrahedron and heptagon. Time - Solve problems Read simple timetables and use a calendar Statistics - Use a variety of sorting diagrams to compare and classify Interpret and present discrete	Position and Direction - Describe position on a 2D grid as co-ordinates in the first quadrant. Describe movements between position as translations Plot specified points and draw sides to complete a given polygon. + - x ÷ - Develop and refine written methods, including mental and formal methods of two four-digit numbers, including money and measure. Fractions, Decimals and Percentages - understand decimal notation and place value for tenths and hundredths, and use it in context. Round decimals to the nearest whole number. Compare numbers up to two decimal places. Area and Perimeter -

Year 4 Curriculum Map 2026 - 2027

	number. Roman numerals. Area and Perimeter - Measure & calculate the area and perimeter of rectilinear shapes.	Time - Convert time between analogue and digital using 12hr and 24hr clocks.	Statistics - Use a variety of sorting diagrams to compare and classify. Venn and Carol diagrams.	Know that angles are measured in degrees. Order a set of angles less than 180 degrees. Identify acute and obtuse angles.	and continuous data using Solve comparison, sum and difference problems using other graphs. Venn and Carol diagrams Money - Estimate, compare and calculate different measures, including money in pounds and cm and m. Relate to decimals and hundredths.	Measure & calculate the area and perimeter of rectilinear shapes.

Year 4 Curriculum Map 2026 - 2027

English – Writing to Inform/Entertain/Persuade	The Best Part of Me - Self description - Poetry The Wild Robot - Character description - Persuasive letter - Explanation text: digestive system - **Science linked	<u>The Wild Robot- Peter Brown</u> Roman Trip Roman Topic – Non-chronological report Seasons by Jo Peters Poetry	The Giant’s Necklace by Michael Morpurgo Persuasive writing Diary Narrative Online article	The House at the Edge of Magic by Amy Sparkes Narrative Persuasive advert Character description	The House at the Edge of Magic by Amy Sparkes Diary Poem Eco-Committee formal letter Lake District Poetry	The Barnabus Project by The Fan Brothers Persuasive writing Poetry Character description
English – Learning to Read/Reading to learn	<u>The Best Part of Me- Wendy Ewald</u> <u>The Wild Robot- Peter Brown</u>	<u>The Wild Robot- Peter Brown</u> <u>Michael Rosen- Poetry</u>	<u>Planet Omar: Accidental trouble magnet- Zanib Mian</u> <u>Cloud Busting- Malorie Blackman</u>	<u>Malamander- Thomas Taylor</u> <u>Words for Whenever- Nathan Parker</u>	<u>Rhythm of the Rain Grahame Baker-smith</u> <u>The Giant’s Necklace- Michael Murpurgo</u>	<u>The True Story of the Three Little Pigs - Jon Scieszka</u> <u>Who’s Afraid of the Big Bad Book?- Lauren Child</u>
Speaking and Listening						
Science	Biology - Animals, including humans	Chemistry – States of Matter	Physics – Electricity	Biology – Living Things and their Habitats	Physics – Sound	Chemistry – States of Matter
Art and Design	Y4 - Megan Coyle	N/A	Y4 - Abstract Art	N/A	Y4 - Women in Art	Y4 - Impressionism Climate Change

Year 4 Curriculum Map 2026 - 2027

Computing	Code	Communicate and Connect	Code	Collect and Communicate	Code	Collect, Connect and Communicate
Design Technology	N/A	Food – Baked Pizza	N/A	Y4 - MAKE Sewing	N/A	N/A

RE	How do events become rituals? Are they essential to being a Christian? Faith - Christianity Focus - rituals	What do we mean by a 'good life'? Faith - Buddhism Focus - Beliefs	How are Hindus lives impacted by believing in God? Faith - Hinduism Focus - morals / beliefs	Why is sacrifice an important part of religious life? (Jesus in the Wilderness, Lent, Sacrifice) Faith - Christianity Focus - Sacrifice and Easter	Prove that joining the Khalsa makes a Sikh more devoted. Faith - Sikhism Focus - Community	How do festivals for a an important part of Jewish culture? (Rosh Hoshana, Passover, Hanukkah, Yom Kippur) Faith - Judaism Focus - Festivals
Geography	Capital cities of Europe	Spotlight Contrast: UK (Blackpool) vs Italy	Settlements: cities, towns and villages	Tourism: Blackpool vs Lake District	Mountain ranges	Impacts of road use
History	The Romans Empire	Roman Britain	Anglo-Saxons	Vikings - Kingdoms and Conquests	Vikings – Raiders and Settlers	1066/Dooms Day Book

Year 4 Curriculum Map 2026 - 2027

French	- Revise previous learning - greetings, family, colours, hobbies, body parts. Animals - pets, expressing 'I have' - Farm/zoo, expressing 'I like'. - Numbers to 30s	Classroom instructions At the market - fruits and vegetables - Expressing 'I would like'	Shopping - clothing items - Expressing 'I need' - Revising numbers and cost.	Weather - Describing weather. - To use 'today' to express the weather. - Seasons	At the market - revise previous learning - Learn more foods - meat, fish, bread etc. - Explaining how much somethings cost.	Expressing likes/dislikes - express like and dislikes for food, clothing, colours. Linking seasons with weather, clothing & food, e.g. In winter, I need a scarf and hat. I eat soup and drink hot chocolate.
Music	Mamma Mia 1 Class- Cornets	Glockenspiels – stage 2 1 Class- Cornets	Stop! Bullying Rap 1 Class- Cornets	Lean on Me by Bill Withers 1 Class- Cornets	Blackbird by The Beatles 1 Class- Cornets	Reflect, Rewind and Replay 1 Class- Cornets
Physical Education	Creative Games - Tag and Target	Gymnastics	Invasion Games - Basketball	Net and Wall Unit	Striking and Fielding - Cricket	Athletics
PSHE	Health and wellbeing	Respect, rights and responsibilities	Managing our feelings	Managing risk	Choices and their affects	Puberty and personal hygiene
