Stanley Park officially turns 100 on Friday 2 October, with the Big Centenary Celebration taking place on Saturday 3rd October.

There'll be a full day of family fun, entertainment and plenty of opportunities to get involved.

Here's just some of what's planned:

- Sports, skateboarding, BMX and hip-hop workshops
- Family-friendly fairground rides
- Blackpool Makers Market, with local makers, bakers, artists, creators and independent businesses and a range of food vendors
- Special walks, talks, pop-up performances and MUCH MORE!

And that's not all... as evening falls, the celebrations will end with a spectacular drone show lighting up the skies above Stanley Park!

Why not pop along and help celebrate 100 years of one of Blackpool's most treasured green spaces.

FOUNDATION OPEN EVENING 2027

Is your child due to start school in September 2027?

Why not come along to our Open Evening for a 'Talk and Tour' of our school.

Monday 12th October 2026
3:45pm - 4:45pm OR 5:00pm - 6:00pm

The session will consist of a welcome meeting providing information about our school, our learning and our ethos and a tour of our school.

We hope that the session will help you make that very important decision about the right choice of school for your child.

Scan the QR Code to register your interest.

Please arrive on time and enter school via the Lynwood Avenue entrance.
