It was lovely to host the parents/carers of our newly appointed Year 6 Prefects and Pupil Leadership Team last week in a special secret assembly.

The application process involved writing a formal letter of application. Those who applied for Head Boy or Girl read a speech for SLT and Year 6. Those 23 names were whittled down to 10 (5 boys and 5 girls) who read their speeches in assembly for KS2. All of KS2 then voted via a secret ballot box - a great example of democracy in action! A huge well done to all that applied and those who now wear their badges with pride. Thank you also to the parents who supported in the application process and managed to keep the assembly a secret!

The Pupil Leadership Team will play an extremely important role in school life. When we welcome visitors to the school, they will be our ambassadors as they conduct tours and represent the vision of our school. They will meet weekly with the Senior Leadership Team to discuss how we can improve our school and over this next year will become great ambassadors for the school!
Good Luck to Everyone!
