Friday 6th November 2026

Layton Primary School

Countdown to Christmas – Every Day Matters!

Attendance and punctuality are so important and lead to success in school. Research shows that, over time, children whose attendance is above 96%, consistently achieve better than their peers. To reward all the children who have excellent attendance and punctuality in the run up to Christmas, we are organising a raffle. From Tuesday 3rd November, for every week that your child is in school every day, they will get a ticket and for every week they are in school and on time every day, they will also get a ticket, so 2 tickets up for grabs every week! The raffle will be drawn on 18th December and one child from each class will win a £5 Amazon voucher.

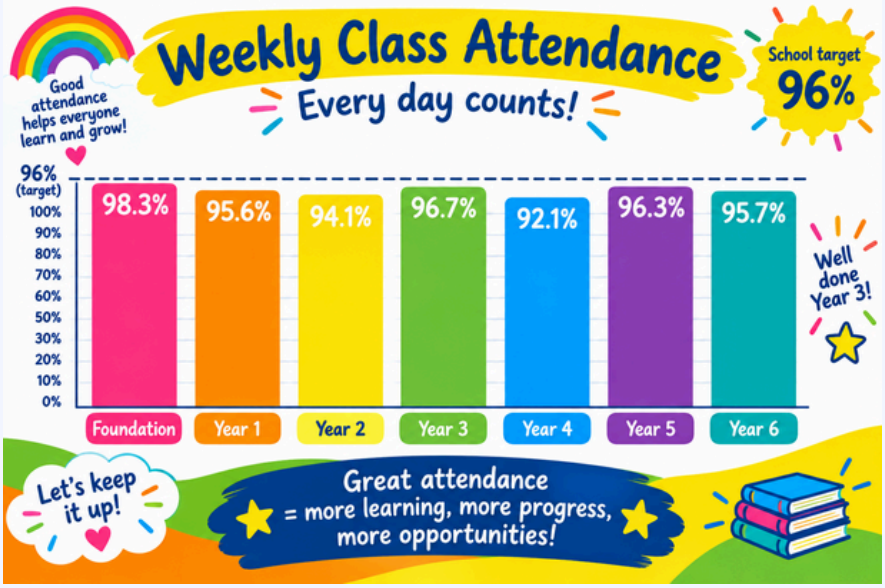

Attend, Attain, Achieve – Every Day Matters

Year 3: Ronnie, Kruze, Benjamin
Year 4: Everly, Scarlett. C,
Year 5: Ethan, Ava, Rex
Year 6: Evie, Noah. D, Teddy

Christmas Lunch – Friday 11th December 🎄

We will be celebrating Christmas with a special Christmas lunch for the children on Friday 11th December. If your child normally brings a packed lunch, you are still welcome to book a Christmas Lunch for them on this day!

We will be offering the following:
Option 1: Christmas turkey dinner.
Option 2: Vegetarian alternative.

Please do not worry that the descriptions on ParentPay do not reflect the above choices or your child's specific dietary requirements. Unfortunately, we are unable to amend the descriptions, simply book any meal for the 11th December and please be assured that we will take all dietary requirements into account and ensure your child receives a suitable meal.
We look forward to celebrating Christmas with the children! 🎅🎄

YEAR 3

ROYAL BALLET

Year 3's First Ballet Session!

The children in Year 3 have enjoyed their very first ballet session with The Royal London Ballet School!
They had a fantastic time learning all about posture and different ballet poses, before getting creative and linking their movements to the theme of space – imagining themselves as astronauts floating through the stars!
What a wonderful way to combine dance, creativity and imagination. We can't wait for the next session!
