Issue 22

Published Friday 22nd March 2019

As part of the healthy lifestyle we promote in school, we try to encourage a healthy lunch box. Please may I remind parents and carers that fizzy drinks, sweets and confectionery items are not allowed in school. There are many healthy and nutritious alternatives, ideas of which can be found on the 'Change 4 Life' website. There are also leaflets regarding this available from the office, please feel free to pick one up.

I am pleased to share with parents and carers that, with your great support, we have raised £953.31 for this year's Comic Relief fundraising appeal; this is through the non-uniform donations, the sales of Lego cards, and the sales of Red Noses. Thank you again for your generous donations.

Year 4—Ribchester Roman Museum

Year 4's topic this term is the Romans and as part of this it has been arranged for Year 4 to go to Ribchester Roman Museum on **Monday 25th March**, during school time.

Children should wear their normal school uniform and will need to bring a packed lunch on this day, in a labelled carrier bag that can be disposed of. Those children who usually have a school lunch will be provided with a packed lunch from the school kitchen.

Pupils will need to arrive at school for normal time, no later than 8.55am. The coaches will return by 3.15pm and we will inform you should there be any delays.

If you have not completed the reply slip, your child will be unable to take part in the trip. Please visit the school office to give your permission.

Easter Exhibition

To celebrate Easter, we are holding an Easter Exhibition; all children are asked to make something at home to put on display.

This could be an Easter picture, an Easter bonnet, an Easter cake, eggs decorated to look like a famous person.....the choice is yours!

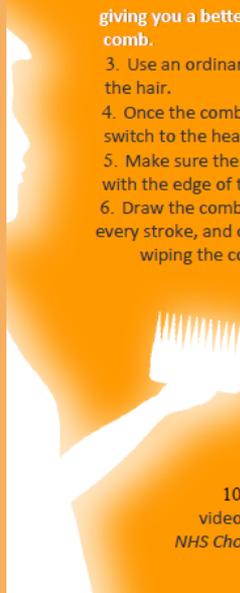

Children are asked to make these at home and then bring it into school on our last Thursday before the Easter holidays – Thursday 4th April. 1st, 2nd and 3rd prize will be given for each year group. Don't forget to put your name and class on your entry! The Exhibition will be held in the KS1 hall and parents/carers are invited to view the display from 2.30pm, before collecting children and entries at 3.15pm. Please come to the KS1 entrance at the top of the ramp. We look forward to seeing the egg-citing creations!

Headlice Advice

Recently we have had reports of 'unwanted visitors' in children's hair in various classes across the school. It is recommended that you check your child's hair regularly and if your child does appear to have them, we suggest you try wet combing your child's hair

regularly as this has been found to be the most effective method. **If all parents do this regularly it will stop them spreading.** Please read the tips on the poster to the right...

1. Wash the hair with ordinary shampoo and apply plenty of conditioner.
2. **Yes! The hair has to be wet. Dry lice will scurry away from the disturbance of the comb but they remain still when they are wet; giving you a better chance of catching them all in the teeth of the comb.**
3. Use an ordinary, wide-toothed comb to straighten and untangle the hair.
4. Once the comb moves freely through the hair without dragging, switch to the head lice comb.
5. Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
6. Draw the comb down from the roots to the ends of the hair with every stroke, and check the comb for lice each time – remove lice by wiping the comb with tissue paper or rinsing it.
7. Work through the hair, section by section, so that the whole head of hair is combed through.
8. Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.
9. Repeat the process five days later just to be sure.
10. Scan the QR code to watch a video from NHS choices (or search NHS Choices head lice video online).

Layton Library Event

Tomorrow Layton Library will be holding a Junior History event on the Romans. The event, for 6-11 year olds, is free of charge! Please see the poster to the right for more information....

Year 1—Evil Parsnips

Earlier this week the Year 1 classes had a visit from the evil parsnips! Pascal the Parsnip sent a letter to classes to say that he will be sending his secret agent Pedro to school, and Year 1 are asking SuperTato for his help. Year 1 have been writing tweets in reply to this. Parents/carers, ask your child all about this!

KS1

FK	Amber is FK's learner of the week for great determination in her learning. Amber is making fantastic progress!	FP	Jaxon is our learner of the week for always being enthusiastic and being resilient with his numeracy.	FJ	Richard is our learner of the week for being resilient all week and being able to tell me all about the farm trip.
1E	Rio has had a great week and has tried really hard with all his work and taking risks.	1D	Tristen is our learner of the week for such energy when learning. Tristen's writing has improved and he can explain and use an apostrophe for contraction.	1T	Emily is our learner of the week for her fantastic writing this week. I was blown away! You are a great role model for all of the 5R's. Well done!
2AS	Nevaeh is our learner of the week for trying really hard in Maths and being resilient! Well done!	2R	Kayden is 2R's learner of the week for joining in class discussions, becoming more confident and being resilient. Keep it up!	2LS	Jamie-Dylan always uses the 5R's and tries his best at all times. Keep it up!

Learners of the Week

KS2

3N	Kayla has only been in 3N for 2 weeks, but it's as if she has always been here. She already uses all of her 5R's and is an asset to 3N. Well done!	3E	Lucy is our learner of the week for always being ready and trying her best in all she does. She has been especially thoughtful in Literacy this week. Well done, Lucy!	3B	Leyla has shown an incredibly determined attitude towards her learning this week. She has made huge improvements in her Numeracy in particular, and is always taking risks and striving to improve. Well done Leyla!
4H	Nathan comes into school every day with a huge smile on his face and brightens up our classroom. He has demonstrated resilience in every way this week. Well done Nathan!	4R	Kenzie —wow! What an improvement. Kenzie has put 100% into his work this week, especially in writing, which he sometimes finds tricky. I'm very proud of you—well done!	4S	Alfie is our learner of the week for beginning to recognise his feelings and talking about them. This new attitude is having a significant impact on his learning.
5M	Amiya constantly works hard and could be our learner of the week every week! She always gives her work 100% effort and is willing to take constructive advice from anyone.	5S	Breanna has worked extremely hard this week, particularly on her maths work where she has pushed herself to try more challenging questions.	5F	Oliver is our learner of the week for showing resilience in Literacy and building good relationships with peers. He has supported his classmates and as a result, his entire group produced excellent work.
6D	Maisie is 6D's learner of the week for always doing the right thing. Maisie always demonstrates the 5R's and is a great role model. Well done!	6G	Gabrielle is 6G's learner of the week for continually putting 100% effort in to everything she does. She always uses the 5R's and thrives to do her best.	6K	Jess is 6K's learner of the week for being someone who we can always rely on to get on independently. She constantly uses the 5R's, produces excellent work in all subjects and is a pleasure to have in the class. Well done Jess- keep up the hard work!
