Issue 28

Published Friday 17th May 2019

Year 6 have worked tremendously well this week in their SATs, showing maturity with their approach and commitment. They can now look forward to their residential and prom, details of which will be sent out in due course. Year 2 will undertake their SATs next week and I would like to remind you that attendance during this week is compulsory.

I would like to congratulate our football team for their successes recently, they showed great resilience and relationships, working well as a team to come from behind to win 2-1. Keep up the great work!

We have had some lovely weather this week and pupils who have permission to apply sun cream have been able to do so before going outside in order to stay safe in the sun. It is vitally important that we have a signed permission form, as without this, your child will be unable to apply the cream; if you require a copy of the letter please see the school office and complete this as soon as possible.

Year 4 Macbeth Performance

Year 4 pupils have been working extremely hard in their music lessons in preparation for the Macbeth performance on **Wednesday 22nd May at 10.30am**.

Grandparents and carers are invited to watch the performance and join us for some tea and biscuits. If you would like to come along, please inform us of how many guests in your party will be attending. On the day please make your way to the KS2 hall through the hall doors at the car park.

If the children wish to dress up for the Macbeth performance in medieval inspired clothing, they must bring their costume into school and get changed during registration. We look forward to seeing many of you there!

Woody's Bronze Level

This week, Woody, our school therapy dog, has had his first assessment. Woody had a series of tests, which involved sitting for a minute, recall, lay down, door control, food manners, target touch, jump through the hoop and spin— and these are just some of the tests Woody had to pass! Well done, Woody!

After School Clubs

As next week is the last week of this half term, we would like to update you with information about the After School Clubs...

Monday—Debate club, 4pm finish, the club will run as normal next week and will continue after half term

Tuesday—Lego Club, 4:15pm finish, the club will run next week but won't continue after half term. Choir, 4:15pm finish, will be on as normal and continue after half term

Wednesday—Year 6 film club will run as normal, 5pm finish, and this will be the last session for this selection of pupils. The new group of pupils will attend the first film club on Wednesday 12th June.

Thursday—Year 3 Boccia club will run as normal, 4:15pm finish, but this will be the last week and won't continue after half term

Friday—Taekwondo will be on as normal, 4:20pm finish

There will be no sports clubs on next week and they will be changing to new sports for different year groups after half term.

Water Bottles

Please may we ask you to send your child to school with a water bottle which is labelled with their name on. Particularly with the hot weather recently, this will help keep your child hydrated throughout the day and will reduce the use of plastic within school.

Year 2—Friday 24th May

As you will know, Year 2 have their SATs next week. As a treat for the pupils on **Friday 24th May**, we will celebrate the end of these tests by allowing pupils to come to school in their pyjamas.

Please note that on this day, the children should wear trainers or shoes and not slippers.

Half-Term

Just a reminder that we will break up for half term on Friday 24th May. School will finish at normal time on this day, we will then return to school on Monday 3rd June.

Parent App

If you haven't already, why not download our school app! Visit our website and click on the button 'parent app' or follow the link below to find details on how to download it:

www.layton.blackpool.sch.uk/school-information/useful-information-for-parents/parent-apps-information-and-instructions

Once downloaded, the app will request a username and password which can be found below— these will only be required once.

Username—layton

Password— parent

When you are in the 'messages' section of the app please click on the cog at the top right corner, from here you can select which messages you would like to receive. For example only receive messages for your child in Year 3.

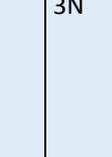

If you have any trouble downloading our app please phone the school office on 01253 392179.

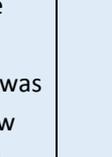

KS1

FK	Sadie is our learner of the week for showing a much more positive attitude to learning.	FP	T.J is FP's learner of the week for a great effort in Maths. Well done!	FJ	Isabella is our learner of the week for working hard with her writing, trying to tick off all the success criteria, impressing people with her phonics.
1E	Emaan is 1E's learner of the week for being a resilient learner and showing all the 5R's this week.	1D	Ollie is our learner of the week for working super hard with Mrs Blackburn and in class. He has also started a great book creator.	1T	Mayleigh-Rae is 1T's learner of the week for being very reflective in all aspects of her learning!
2AS	Scarlett is our learner of the week for improved risk taking, especially in learning from her own mistakes in Maths.	2R	Reo is our learner of the week for an improved attitude towards his learning. Reo has done some fantastic writing this week. Keep it up!	2LS	Sydney is our learner of the week for a fantastic piece of writing. Well done!

Learners of the Week

KS2

3N	Alex is our learner of the week for settling in to Layton life extremely well. He is already an embodiment of the 5Rs. Well done, Alex!	3R	Lucy is our learner of the week. She has shown incredible resilience and always has a fantastic attitude to her learning. She also always uses her relationships positively and is a real pleasure to have in class.	3B	Sophie always follows the 5Rs. She constantly strives to improve and always tries to support others. She was also filmed this week explaining how we have embraced sun safety. Well done!
4H	Olivia is our learner of the week because she is an excellent role model, always doing as she should be and tries her best in everything. A little star, well done!	4R	Gracie always follows the 5R's. She truly is a role model for the rest of the class—an absolute superstar! Thank you for being you!	4S	Katelyn is always filled with resilience especially in Numeracy and properties of quadrilaterals. It was also lovely to see you supporting your peers when sewing.
5M	Kyle is our learner of the week for some determined efforts in all his work. Well done!	5S	Mia is our learner of the week for being an ambassador for the 5Rs, a real asset to the class and a delight to teach.	5F	Jaydon is 5F's learner of the week for always striving to improve and putting 100% in to all his work. His hard work is paying off and is showing in the progress he has made this year.
6D	Kelsey is our learner of the week for being a superb role model every day!	6G	Jacob always demonstrates resilience, always strives to push himself above and beyond expectations and is a pleasure to teach.	6K	Lacey has become a lot more confident particularly in her Maths. Lacey has been eager to join in class discussions and has been asking to mini-teach. Lacey is such a character, and never fails to put a smile on our faces! Well done Lacey, keep up the hard work!
