### Layton Primary School Issue 33

Published Friday 23rd June 2017

This week many pupils from Layton have taken part in the 'Blackpool Youth Games' at Stanley Park. They have competed in various different sporting events including football, netball, athletics, and cricket. Throughout the week the pupils have represented the school well with their impeccable behaviour.

Walking through school this week I have travelled around the world, seeing lots of learning taking place about different countries for 'International Week'. I hope that Parents/Carers have enjoyed visiting their child's classroom this afternoon to see the work they have produced.

The winning poster design will then be transformed into a **Blackpool illumination**, chosen by illuminations curator Laurence Llewelyn-Bowen. The pupil will also receive a FREE family ticket for the Sandcastle Waterpark in Blackpool.

The illuminations template design and further information can be found at <http://lovemybeach.org/schools-illuminations-competition>
