## Layton Primary School Issue 11

### Published Friday 1st December 2017

As you may be aware from the letter sent home this week, on Tuesday 5th and Wednesday 6th December we will have a film company in school who will be filming a showcase of the work in our school using Apple products, as an Apple Distinguished School. This film will be used by Apple at their Education conferences. We would be grateful if you can ensure this form has been returned in order for your child to be included within photos and filming on these days.

If you visit the Foundation Stage twitter, @Layton\_FStage, you will find the link to Layton's 'Kindness Advent Calendar'. Many of our pupils and members of staff have created kindness videos for each day leading up to Christmas. The advent calendar is to promote sharing kindness and happiness even more so at Christmas time, hopefully you will be able to complete every one of these once if not twice each day!

### A special mention...

We would like to give a special mention to Bailey in 6K who this week has been praised for his cycling skills. On Thursday we received a call from a lady who said that she had seen a boy from Layton navigating the traffic en route to school and she was so impressed with his 'bikeability', his resilience and his fearlessness but not carelessness which was very impressive. The lady said the traffic was worse than normal on this day but he didn't go onto the pavements, he bravely kept on!

The lady said she had never felt compelled to call in before on a matter like this, she was genuinely impressed and wanted to inform the school. Well done Bailey, this shows how you have taken on board the skills from the Bikeability lessons and how amazing your road awareness is. We are all very impressed!

### Carol Service

Tuesday 12th December will be this year's Christmas Carol Concert at St Mark's Church in Layton. There will be two services on this day, 1:30pm to 2:30pm and 6pm to 7pm, all welcome!
