Layton Primary School Issue 12

Published Friday 8th December 2017

It has been an exciting week having the Apple and JTRS filming crew in on Tuesday and Wednesday. I have been so proud to walk around school and see how all of our children are so eager to learn and demonstrate the 5Rs throughout their work. The film crew commented on the exemplary behaviour of our pupils, how they hold doors open to let others through first and have impeccable manners.

Next week is also another busy week with the KS1 Christmas Performances of 'Mary's Knitting' by Foundation, 'Jack and the Giant Christmas Tree' by Year 1, and 'The Most Disgruntled Snowman' by Year 2. I look forward to seeing these performances as I have heard of the hard work that has been put into practicing these! I hope that many of you will be able to join us in the KS1 hall for these shows, you can find the dates and times for these in the newsletter and also on our website.

Green fingers!

On the 1st of December, six pupils from class 6J were given the opportunity to help Mr Rumley plant shrubs in the KS2 playground. For some of us, it was our first experience of gardening and we are very grateful to Mr Rumley for his patience and guidance and to The Co Op who generously donated the plants for our garden. The plants are a great symbol of our school motto, 'Growing Great Minds Together'.
