

Welcome back after the February break, it has been a busy week back to school for all children with lots of hard work being done across the school. In assemblies this week children have been learning all about Founders Day, with a talk from Mr Rumley on Thursday sharing what the day is about and what the role of being a cub, beaver, scout, rainbow or brownie is.

We also have lots of events coming up soon, March is a busy month! The best ways to keep up to date with these events will be through the newsletter, our school App, and the 'latest news' section of our website. We always appreciate parents/carers help with supporting these events and we hope that your child/ren tell you all about it at home!

Year 2 Maths Workshops

Foundation Stage—Donations

After listening to parent feedback at our recent parents evening, Year 2 invite you to two Maths workshops on **Monday 26th Feb at 3:00pm** and **Monday March 5th at 3:00pm**. These meetings will give you a clearer idea of how we do Numeracy at Layton and help you to help your child with maths work they do at home.

Just come to your child's classroom door at 3:00pm and you can come and join in in a mini-Maths session where the children will show you how they work. The year 2 team hope to see you there!

A message from Foundation Stage:
We would be grateful of any donations of boys and girls underwear. We keep a stock in school for accident situations however we always appreciate any donations as they are not always returned to school.
