Layton Primary School Issue 3

Published Friday 29th September 2017

Our Year 5/6 Football Team played against Moor Park on Thursday evening, the score line was 3-3 and team Layton managed to win the game on penalties! Well done to all of the team, who look forward to their next game a week on Monday where they look to retain the EFL Kids Cup.

Also on the topic of sports and PE, in the cheerleading after school club this week Years 5 and 6 pupils have been practising the 'Layton Chant', and all of Year 3 are settling well into their Royal Ballet School ballet lessons.

Thank you to parents who have made us aware of the gentleman who was acting in an inconsistent manner outside school this week who was also spotted by a member of staff. The community and the school have ensured that this has been dealt with in the correct manner. In the future we appreciate the school and parents working collaboratively to ensure that events such as these, wherever they are, are dealt with calmly and appropriately in the correct manner as this week's incident was.

Harvest Donations

Many thanks to all Parents and Carers who have donated items to this year's harvest festival which was on Wednesday. We have received lots of various none perishable items which will be distributed amongst the community. This will have a great impact, so thank you again for all donating so generously.

Flu Vaccinations

Many thanks to all parents/carers of children in Foundation and Years 1, 2, 3 and 4 who have returned the Flu Immunisation consent form. If you haven't returned this form as of yet, or require a new form, please contact the school office.

The date for these vaccinations is Thursday 7th December. The nurses undertaking the immunisations will assess your child's health on the day (e.g. if they have a cold this may be postponed).

If you decide to have the immunisation before this date/not in school, please inform the school office.

Autumn Time

Due to the time of year and high winds and rain forecast, please take care in and around the school grounds as well as on pavements in the school vicinity, as fallen leaves can make the floor slippery.
