## Layton Primary School Issue 4

Published Friday 6th October 2017

Firstly I would like to say a big thank you to Carers/Parents for their support with the MacMillan Coffee Morning on Friday. Thanks to everyone's generous donations the school have raised £313.30 for Macmillan, a very worthy cause.

This week some Year 4 pupils have taken part in our iPad scheme, whereby for a small deposit of £30, £10 a month each child in Year 4 has the opportunity to take home an iPad. If you are interested in this there is still time to take part in this year's scheme, please enquire at the school office about this. iPads are a great tool to use for learning and are available to all children in school, however I would like you to note that taking up this scheme is optional.

### Lunchtime Clubs

Letters have been sent home to various year groups this week regarding Lunchtime Clubs which will be starting after half term. These vary from 'Just Dance' and 'Zumba' to Cross Country and Football. Places are limited to 15 places per club due to supervision, and places will be picked from a hat. **You will be contacted if your child has a place in the club.** These clubs will change every half term in order for everyone to have the opportunity to take part in a club should they wish to.

### A Message from the PTFA

In a recent PTFA meeting, the committee members have decided to donate £500 to each year group for the use of additional equipment; or for the planning of an additional school trip for this academic year. We will update parents via the newsletter regarding what each year group uses this money for.

After years of hard work, the PTFA have decided to postpone current meetings and the planning of future events. As our volunteers and staff support is very 'thin on the ground' it is impossible to organise and run events for a school of our size.
