Layton Primary School Issue 6

Published Friday 20th October 2017

This week I have been proud to present and announce this years Year 6 Prefects at our assembly on Thursday. Thank you to all parents who attended, it was lovely to see you. On Thursday, 26 proud children received their badges and will be receiving their jobs in due course. Their badges have been well earned over their time at Layton Primary School.

Year 5 visited 'Spaceport' on Thursday to further their knowledge of what they are learning in science lessons this term. They learned about the solar system and visited the 360 degree space dome show where they could truly feel like an astronaut! Leading up to the visit 5D have made some impressive stop-motion videos to show their knowledge of the moon and its phases, you can view these on the Layton Blogs.

September 2018 Intake

Do you or someone you know have a child due to start school next September? We are holding an Open Morning on Tuesday 24th October, 9:30am until 11am. The morning will consist of a 'talk and tour' of the school, and families will have the opportunity to see 'learning in action'.

Year 6 Trips to Samlesbury Hall

As part of Year 6's history topic on the Victorians it has been arranged to visit Samlesbury Hall. Each of the Year 6 classes will be going on separate dates which can be found below:

- 6R—Monday 13th November
- 6K—Thursday 16th November
- 6J—Tuesday 21st November

Letters have been sent home this week regarding the trip; please complete the form at the bottom of the letter and return this form and the £6 payment to your child's teacher or the school office by Friday 27th October.

Scan to catch up on this weeks vlog!

A Massive 'Well Done' to our Learners of the Week

9th to 13th October 2017

Well Done! Keep up the good work!

FK	Lilly is learner of the week for listening carefully. Lilly has been trying really hard to count carefully, keep it up!	FP	Charlie-Ray has been imaginative with his Incy Wincy rhyme this week, singing it to the class!
FM	Harris is learner of the week for wanting to sit and do writing for the first time.	1E	Leon is learner of the week for more resilience and reflecting on his behaviour for learning. He's been concentrating much more! Keep this up Leon.
1J	Blake has been resilient and taking risks this week. He has worked extremely hard in all areas of his learning, answering more questions in class and growing in confidence!	1I	Charlie is learner of the week for resilience when learning about 2D and 3D shapes. Charlie has worked extremely well this week!
2S	Awab is learner of the week for settling into Year 2 showing great resilience and making good relationships!	2M	Tianna is learner of the week for reflecting on her work and having a fantastic attitude to learning this week. Mrs Mapara and Mrs Moss are very impressed!
2T	Logan has been brilliant in literacy this week. He has reflected on his learning. Keep it up!	3H	Mitchell has been an absolute star this week, listening well and recognising mathematical patterns. Well done Mitchell! :)
3N	Jenson has been on fire in maths this week and has been taking lots of risks whilst making lots of connections! A great new attitude! :)	3B	Natalya has been an absolute superstar in Numeracy this week! She has really been trying to justify her answers and explain her reasoning.
4D	Holly is an absolute delight. She is always enthusiastic, happy and positive! Holly is a great addition to our class.	4R	Emily is a perfect Layton role model, consistently showing all of the 5Rs. Thank you for being such a star! :)
4E	Jayden is learner of the week for 100% participation in all of our lessons. A real team player and always happy to help :)	5D	Oscar is a learner who throws himself into everything he does. Always displaying all of the 5Rs!
5G	Kieran is learner of the week for being an always child. Always being a role model, always putting 100% into everything he does and always showing the 5Rs!	5F	Destiny is learner of the week for putting in 100% effort this week. Destiny has been a highly independent learner and an excellent role model!
6R	Lacey is learner of the week for always being 'Lovely Lacey'. She is a superstar every day, always using her 5Rs to be her best.	6J	Louis is learner of the week for producing an amazing diary of a chimney sweep. He has been extremely reflective when adapting the role.

6K **Chloe** is 6K's learner of the week, however we could give Chloe learner of the week every week! She consistently uses all of the 5Rs and is a pleasure to teach! Well done Chloe :D

Apple Coding Advert

This week Mrs Jones has been proud to see that Apple Education have used a photo of one of our pupils using the Swift Playgrounds app in one of their adverts for coding week. The tweet, found below, shows a picture of Kieran in 5G using the app to code!

Dropping Off Arrangements

Please may we ask that parents and carers are considerate when dropping off and collecting their child/ren. We understand the issues at these times of day, however, there have been instances this week where members of staff have noted inconsiderate driving which was potentially dangerous to children walking to school.

Poppy Appeal

Poppies are still available at the School Office.

Year 6—Applying for Secondary Schools

If your child has moved up to Year 6, it is now time to apply for his/her Year 7 place. You can apply for a school place online at www.blackpool.gov.uk/schooladmissions or alternatively contact Blackpool School Admissions on 476637 for a paper application. If you have not already applied for your child's secondary school place, please do so as soon as possible. The closing dates for applications is Tuesday 31st October. Missing the deadline may reduce your chance of gaining a place at your preferred school.

Packed Lunches

Please may we remind you that children who bring their lunch to school are not allowed to bring hot food (for example soup in a flask). This is due to the health and safety risk to them and others of burning/scalding. Thank you for your cooperation.
